Dear M/s Littlewood,

Please accept this email as a formal application to Weightmans that I require a written explanation as to why Weightmans accessed and obtained from Callcredit my credit file details on 28th January 2011 using a reference "LSU ISI 55168/75".

I require Weightmans to provide in writing answers as to; where, when, by what means I gave my permission to Weightmans to access my personal credit file.

Please note that the above request is not to form part of the Subject Access Request and hence the forty day period allowed for you to respond to the Subject Access Request.

I look forward to hearing from you in response at the earliest possible opportunity.

Regards
